Notes:

Property Rental Debtors: Including housing and land sales debtors

Total By Income Source = Total by Customer Group

The total debtor amount must balance the total amount reflected for debtors on the BSAC return.

Bad Debts-Bad Debts written off during the month

Impairment - Bad Debts ILo Council Policy :

The aim of this schedule is to ensure that the impairment contribution is done in a structured manner

The impairment amount that is entered in this block should be the appreciated amount as per the calculation formula in the municipality

If a formula to calculate impairment is not in place this is a tool that can be used to develop such a formula and get it approved as part of the accounting policy

Conditions:

- Prioritise residential infrastructure for water, sanitation, refuse removal, street lighting, solid waste, connector and bulk infrastructure, and other municipal infrastructure like roads, in line with the MIG policy framework and/or other government sector policies established before the start of the municipal financial year.
- Compliance with Chapter 5 of the Municipal Systems Act (200). Infrastructure investment and delivery must be based on an Integrated Development Plan that provides a medium to long-term framework for sustainable human settlements and is in accordance with the principles of the national Spatial Development Perspective.
- Municipalities must adhere to the labour-intensive construction methods in terms of the Expanded Public Works Programme (EPWP) guidelines.
- Compliance with the Division of Revenue Act, including additional reporting requirements on spending and projects as approved by National Treasury.

Conditions:

- Municipalities must contractually undertake to:
- Account for the allocated funds on a monthly basis by the 10th of every month
- Pass all benefits to end-customers
- Not utilize the fund for any purpose other than electrification
- Ring-fence funds transferred. Adhere to the approved electrification programme and agreed cash flow budgets
- Ring-fence electricity function
- Reflect all assets created under the Integrated National Electrification Program (INEP) on the municipal asset register; this is to assist the process for the formation of the REDS
- Safely operate and maintain the infrastructure
- Adhere to the labour intensive construction methods in terms of the Expanded Public Works Programme (EPWP) guidelines for activities such as trenching, planting of poles, etc.
- Register the master Plans for bulk infrastructure in terms of the INEP framework and to abide by the directives of the Department regarding the central planning and co-ordination for such bulk infrastructure. This is to maximize the economies of scale in the creation of bulk infrastructure affecting more than one municipality
- Use INEP funds for the refurbishment of critical infrastructure, only upon submission of a project plan which must be approved under a framework to be regulated by the Department.
